### PERSONAL

In his free time, Parthasarathy enjoys listening to old Hindi songs and shayari, attending live concerts, and following cricket.

Parthasarathy is the Chief Operating Officer (COO) at Tata Consulting Engineers Limited and a Director on the Board of Ecofirst. He brings over 34 years of experience in the industry, with expertise spanning strategy, business partnerships, business acquisition, operations, technology, and people management. His leadership has been instrumental in shaping the growth and direction of the organisation.

Throughout his career, he has made significant contributions to TCE, particularly in strategic planning, operational excellence, talent development, and technology integration. His ability to drive innovation, improve efficiency, and enhance business performance has played a key role in the company's success.

Parthasarathy has successfully led and delivered numerous large-scale and complex projects in infrastructure and plant engineering, both in India and internationally. He has overseen these projects from the initial concept stage through to full commissioning, ensuring their seamless execution.

As COO, he is responsible for managing TCE's overall business operations, financial performance, and growth strategy. His role involves overseeing key functions, ensuring the smooth execution of projects, and driving sustainable business growth.

In addition to his corporate responsibilities, Parthasarathy is a Director on the Board of Ecofirst, where he contributes to the company's strategic direction and growth. He has also participated in multiple leadership programmes conducted by the Tata Management Training Institute and serves as a senior assessor for the Tata Business Excellence Model, reinforcing his commitment to excellence and continuous improvement within the Tata Group.
